REINVENTING CLASSICS

Timeless is never trendy, like hand-crafted cocktails from the days of speakeasys, iconic American cars of the 60s or 70s rock n' roll anthems. Classics never go out of style, they only get better over time which is why TravisMathew continues to evolve our classic styles and designs.

Whether it's a classic pair of jeans reinvented in our stretch denim, a timeless polo with modern performance fabrication, or improving on the comfort, feel and fit of the button-up, you can expect a new take on your favorite styles come Fall-Holiday 2019. We didn't think classics could get any better...until they did.

/TEAM TRAVISMATHEW

MARK WAHLBERG

For the last twenty-five years, Mark Wahlberg has relentlessly succeeded in a variety of roles in his life: as a rapper, fashion model, global film star, business entrepreneur and loving husband and father. However despite his constant success, Mark continues to evolve and grow his brand and pursue additional passions and challenges. Mark Wahlberg exudes the same culture and lifestyle TravisMathew continues to strive for: active and competitive, good looking and in shape, humble yet confident, well-liked and has a close group of guy friends. We're thrilled to have Mark Wahlberg supporting TravisMathew in all aspects of his life.

LUKE LIST

PGA Tour veteran Luke List has more than an All-American smile. "Sir Double L" has seen his stock grow over the last few seasons, with several close calls in chasing his first Tour win while racking up top ten finishes and making a name for himself with his legendary length off the tee. Our favorite part about Luke is his active lifestyle off the course in true TravisMathew fashion, whether it's letting loose with his friends or spending time raising a family with his wife and new baby daughter.

JOSH KERR

Josh Kerr is best described as an adventurer, entrepreneur, and all-around good dude. During his career, Kerrzy has been a key competitor in the World Surfing League, ranking in the top ten for four straight seasons. Despite his recent "retirement" from the Tour, the fun-loving Aussie leads a busy life still chasing waves across the world and golf balls across the fairway. As an entrepreneur (Kerr owns his own brewery), businessman (growing the Air Show events in the world of surf) and family man, Josh is the perfect fit for Team TravisMathew.
