

THE HOTTEST INSERT ON TOUR

IS NOW HOTTER THAN EVER

THE NEW WHITE HOT | OG WOMEN'S

White Hot Insert

The original White Hot formulation, feel, sound and performance are all back in one exceptional two-part urethane insert. Tour players and golfers alike have been asking us to re-introduce it for years, and we've listened.

Milled Surface Finish

Our engineers have combined a rich silver PVD finish with fine milling on all key surfaces. These ultra-premium offerings are

unlike anything you've ever seen from a White Hot, and the beautiful designs will appeal to golfers who appreciate the look of a milled putter.

High Performance Shafts and New Grips

Available in a premium steel shaft or our Tour proven, multi-material Stroke Lab shaft in a new pearl white. Both shaft options are precisely fitted in shorter lengths of 32" & 33" with our new slim pistol grip that's specifically designed for women.
