

A MAVRIK FINDS NEW DISTANCE

Flash Face for Exceptional Ball Speed and Unconventional Forgiveness

New VFT architecture and face design optimize COR for high ball speeds, while increasing consistency downrange.

High Strength Face Cup for Fast, Consistent Ball Speed

Proprietary Face Cup technology delivers faster ball speeds on every swing.

Jailbreak Technology for Increased Ball Speeds

Two internal steel bars stiffen the body, placing more impact load on the face for even more ball speed.

Carbon Crown

Exceptionally high forgiveness from lighter, stronger multi-layer carbon composite crown.

MAVRIK FAIRWAY WOODS

MODEL	3W	5W	7W
LOFT	15°	18°	21°
LIE ANGLE	56°	56.5°	57°
