

White Hot OG Women's Putters

Product Name: White Hot OG Putters

Product One-liner: Legendary Then, Iconic Now

Product Intro:

White Hot is the most iconic, most played, and most decorated putter insert of all time. This classic name is synonymous with legendary performance, and unique design properties that Tour players and golfers of all abilities love.

It's set a standard in insert technology for over 20 years and we've been told over and over again that there's nothing quite like it. We've engineered the original formulation into our White Hot OG Women's line of putters, and the performance speaks for itself.

This incredible lineup combines the benefits of our two-part urethane insert technology with a rich silver PVD finish, and a fine milling on all key surfaces. It's available in our premium steel shaft, or our Tour-proven, major-winning, multi-material Stroke Lab shaft to help improve your stroke. With White Hot OG, you're getting one of the most renowned putter innovations of all-time in a modern ultra-high performance package.

Features & Benefits

White Hot Insert

The original White Hot formulation, feel, sound and performance are all back in one exceptional two-part urethane insert. Tour players and golfers alike have been asking us to re-introduce it for years, and we've listened.

Milled Surface Finish

Our engineers have combined a rich silver PVD finish with fine milling on all key surfaces. These ultra-premium offerings are unlike anything you've ever seen from a White Hot, and the beautiful designs will appeal to golfers who appreciate the look of a milled putter.

High Performance Shafts with Slim Pistol Grip

Available in a premium steel shaft or our Tour proven, multi-material Stroke Lab shaft in a new pearl white. Both shaft options are precisely fitted in shorter lengths of 32" & 33" with our new slim pistol grip that's specifically designed for women.
