

VERSATILITY HAS NEVER PLAYED EASIER.

MAXIMUM FORGIVENESS WITH ENHANCED FEEL AND AGGRESSIVE SPIN.

**CB
WEDGE**

The new Callaway CB Wedge is built to deliver short game forgiveness with incredible spin and feel. From player-friendly shaping, premium feel technologies, and the most aggressive groove in golf, this profile is designed for players who want maximum confidence from their short game.

Confidence and Forgiveness from Player-Friendly Shaping and Design

A deep cavity back, slightly larger head and thicker topline create confidence, while a leading-edge chamfer helps to fight digging.

Premium Feel from Game-Changing Construction

Urethane Microspheres help to make the Callaway CB our best-feeling cavity back wedge ever.

Aggressive Spin and Enhanced Control from JAWS Grooves

Jaws Grooves extend across the face on 54°- 60°, with standard length grooves on 48°- 52°*

Premium Shafts and Grips

Elevate 95 steel shaft, and graphite options from Project X & UST, with a longer 11.5" Golf Pride Tour Velvet grip.

*Full face grooves on 54°- 60°.
