

AI-ONE

**Ai-One Milled Putter**

These Odyssey Ai-One Milled putters feature a milled titanium insert which delivers more consistent ball speed speeds, even from off-center hits, leaving putts closer to the hole.

PUTT SMARTER**AI-ONE MILLED INSERT**

This milled titanium insert was designed using Artificial Intelligence to create the unique contours on the back surface to promote consistent ball speed across the face with the pure milled feel that many discerning golfers prefer.

**MILLED STAINLESS STEEL HEADS**

All the heads in this line are 100% milled for the beauty and precision that the most discerning golfers appreciate.

**UNIQUE NAVY BLUE PVD FINISH**

These putters all feature a beautiful navy blue PVD finish that sets them apart and compliments the milling for a unique and beautiful look.

**SL 90 SHAFT**

A lightweight steel shaft with 20-30 grams (depending on the grip) of counterbalance weight in the butt end. This is an evolution of our Stroke Lab Weighting that will appeal to even more golfers.

**INTERCHANGEABLE FRONT WEIGHTS**

Available in 5, 10, 15 and 20 grams these removable weights allow you to dial in your head weight to your exact preference.
