Product Name: Chrome Tour Golf Balls

Product One-liner: Consistently Outstanding Tour Performance

Product Intro:

From cover to core, Chrome Tour is the new gold standard Tour ball for better players who want the best in distance and feel. Every detail has been optimized including a new core, inner mantle, outer mantle, and cover formulation. Chrome Tour is engineered for outstanding performance with exceptional speed, consistent flight, incredible spin, and greenside control.

### Features & Benefits

#### **Exceptionally Fast Ball Speeds**

From a new Hyper Fast Soft Core. The core is engineered for better players who want the best balance of long distance and soft feel.

#### **Seamless Tour Aero**

This new, uniquely designed aerodynamic package is built for consistently stable ball flights in any condition.

#### **Incredible Greenside Spin and Control**

From a new High-Performance Tour Urethane Soft Cover. Better players can aggressively go after shots through added spin through the bag, while the cover system provides outstanding control and Tour-level feel.

#### **Precision Technology**

Each of our technologies are meticulously measured through our industry-leading manufacturing, with over 100 million proof points, for more consistent performance in the ball.
