

# XR PACKAGED GOLF SET

## A COMPLETE DISTANCE SET

The Callaway XR Packaged Golf Set is packed with ball speed technologies to deliver long distance and complete course coverage through the bag.

### 460cc Titanium Driver for Long Distance

Designed to help you hit your longest drives, along with a high-speed R\*MOTO Face.

### Fairway Woods with Speed and Forgiveness

Hyper Face Channel promotes faster ball speeds and helps add distance on off-center hits.

### Versatile Hybrids

Hyper Face Channel for ball speed across the face. They're a great alternative to long irons.

### Easy-To-Hit Distance Irons

Classic game-improvement shape, with high launch, distance, and control.

### Callaway Wedges for Short Game Shots

Our wedges are built for better shots and more confidence around the green.

### Odyssey DFX Putter For More Confidence on The Greens

Features an iconic #7 shape for improved alignment and putting performance.

### Full Course Coverage and Callaway Stand Bag

The right club for every shot, and our Callaway Stand Bag provides easy organization.
