

APEX TCB IRONS SUMMARY SHEET

Since Xander Schauffele put a TCB iron in play, his strokes gained in approach have significantly increased year over year. Now in 2024, he is top 5 in the world in strokes gained on the field and has won two major championships with the new '24 TCB Iron.

Major Success

Trusting the '24 Apex TCB iron, Xander Schauffele went on to secure two major championships in the 2024 season.

Tour Feel

Combining our best in technology, the '24 TCB uses a 1025 tour cavity back body with a 17-4 tour tuned face for consistent spin and control up and down the bag. The feel is second to none. Just ask Xander.

Pro Looks

The beautiful raw aesthetic and overall footprint is exactly what Xander was looking for. With a compact controllable shape, and shorter blade length, TCB '24 are players irons for discerning golfers.
