## Ai150

## APEX Ai150

### Precision Has Reached A New Apex

Apex Ai150 continues the legacy of the Apex Ai200 and Ai300, emphasizing elevated look and feel, distance, and superior spin consistency.

### Premium Look and Feel

Blending premium materials and modern shaping, this 1025 forged hollow-body design features a 455 face cup (3i-7i) and 17-4 face (8i-W) for improved ball speed and feel throughout.

### Player's Precision and Control

Designed for the more advanced golfer, the Ai 150 offers enhanced distance control via the new Ai10x Face technology, a player's preferred shape and loft package.
