

X FORGED

SINGLE PIECE FORGING IN ITS PUREST FORM

X FORGED

Pure Precision, Forged for Better Players

Crafted from a single piece of 1020 Carbon steel, X Forged Irons deliver the crisp sound and soft feel that discerning players demand—precision-engineered for professionals and elite ball strikers.

Clean Looks, Tour-Preferred Shape

X Forged features a streamlined cavity back, compact profile, minimal offset, and a thin topline—crafted to appeal to the eye of the better player.

Tri-Level Sole Design

X Forged Irons feature a tri-level sole with beveled leading and trailing edges, promoting smooth turf interaction and precise ball control through impact.
