

Odyssey Hockey Stick Putter

Putt like Happy with this Odyssey hockey stick style putter as seen in Happy Gilmore 2.

Hockey Stick Configuration

Built at 44" with a 57° lie angle, 0° of loft and a 21' grip.

Black Stepless Steel Shaft

The black stainless-steel head is fitted with a White Hot urethane insert in the primary hitting area as well as auxiliary inserts in the heel and toe.

21" Grip

This elongated grip is ideally suited for someone who uses a slap shot type putting stroke.

Custom Tube Sock Headcover

This striking cover in gold, black and white provides the protection needed for this special putter.
