

A COMPLETE DISTANCE SET

The XR Set is a complete offering, so that you have the right club for every shot on the course, and our Callaway Bag provides easy organization whether you walk or ride.

Titanium Driver for Long Distance

XR Driver is designed to help you hit long drives off the tee, with a high-speed Face and a 460cc Titanium head.

Fairway Woods with Speed and Forgiveness

The XR Fairway Wood is built for speed with a clubhead construction that helps add distance on off-center hits.

Versatile Hybrids

Our hybrids feature ball speed across the face, and they're a great alternative to long irons.

Easy-To-Hit Distance Irons

These irons incorporate a classic game-improvement shape, with a great combination of high launch, distance, and control.

Callaway Wedge for Short Game Shots

Our Sand Wedge is built for increased control and more confidence around the green.

Odyssey DFX Putter For More Confidence on The Greens

The Odyssey DFX Putter features an iconic V Line Fang shape for improved alignment and putting
