## A PREMIUM PERFORMANCE SET FOR WOMEN

### LONG DISTANCE AND FORGIVENESS OFF THE DRIVER

REVA optimizes the weight of the driver with an innovative composite crown material. This design provides an exceptional combination of distance and forgiveness for ultimate confidence on every swing.

### EASY TO LAUNCH FAIRWAY WOOD

The fairway wood features optimized construction for a high-flying ball flight.

### MAXIMUM FORGIVENESS IN THE IRONS

Large, oversized deep cavity back irons provide easy launch and forgiveness.

### ENGINEERED SPECIFICALLY FOR WOMEN

Set composition informed by extensive testing with women golfers to optimize launch, gapping, and playability.

### TOUR-PROVEN ODYSSEY STROKE LAB PUTTER

Features Odyssey's White Hot OG #7 putter, one of the leading shapes from the #1 Putter on Tour.

### NEW PREMIUM DESIGN

Beautiful and functional, a new premium design is featured across the clubs, bag, and headcovers.
